Qualify for HPE Flex Offers discounts and complete your Shared Storage Solution with the new Aruba 1960 Switches

Aruba Instant On 1960 Switches are advanced, smart-managed, fixed configuration Gigabit stackable switches designed for small and growing businesses that are easy to deploy and affordable. These switches are designed to scale as business grows, making adding more employees, devices and applications simple. Aruba Instant On 1960 switches are made to handle today's bandwidth-heavy applications like voice and video conferencing, enabling consistent connectivity to improve user experience and application performance. These switches come with flexible management option: local web GUI or Instant On mobile app and cloud-based web portal.
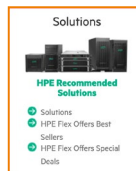

For a limited time only, get the best price (up to 5% discount) when you purchase 2 1960 Aruba Instant On Stackable Switches via HPE Flex Offers.

Additionally, two Aruba Instant On 1960 12XGT 4SFP+ Switches connected to an HPE MSA 2060 10GBASE-T iSCSI Storage in an HA configuration will give you a fully configured HPE SMB Shared Storage Solution.

*Only available through iQuote HPE Flex Offers. Please contact your preferred distributor for more details.

Add any 2 Aruba Instant On 1960 Switches to unlock the HPE Flex Offers discount.
